WHO WE ARE

Reliable Plumbing & Renovation Experts with Over a Decade of Experience

Established in 2010 and formally registered in 2015, **AllSet Projects** specializes in plumbing, general building maintenance, and property renovations for both private and commercial clients. With over a decade of experience working as subcontractors for insurance companies and various businesses, we have built a solid reputation for reliability and excellence.

Our expertise spans plumbing, building maintenance, and general construction. We understand the procedures, standards, and expectations of insurance companies and corporate clients, ensuring compliance and top-quality service at all times.

WAIT... THERE'S MORE

Over 10 Years of Reliable Service in Plumbing & Building Maintenance

At **AllSet Projects**, our dedicated teams of skilled plumbers are led by experienced team leaders who prioritize efficiency and professionalism. We uphold the values of creativity, teamwork, fairness, respect, and honesty in every project we undertake. Our commitment to continuous improvement allows us to refine our expertise and deliver exceptional results.

We take pride in offering competitive pricing, precise measurements, and superior craftsmanship. Our goal is to ensure that the companies and insurance providers we serve always have satisfied clients.

Our founder, Harrington Matsetlu, brings extensive industry experience, having previously worked at Motla Projects (2008–2015) and Ludwig Hansen before establishing All Set Plumbing.

Our Core Values

Excellence in Workmanship

We take pride in delivering high-quality plumbing and construction services, ensuring precision, durability, and compliance with industry standards.

Reliability & 24/7 Availability

Our team is always ready to respond to emergencies, providing prompt and dependable service whenever our clients need us.

Integrity & Transparency

Honesty and fairness guide everything we do. We provide clear communication, accurate assessments, and ethical practices in every project.

Customer Satisfaction

We go above and beyond to meet and exceed client expectations. Our follow-up assessments ensure that every job is completed to the highest standard.

Continuous Improvement

We invest in training and innovation to enhance our skills, stay updated with industry advancements, and provide the best solutions to our clients.

OUR SERVICES

So, what do we do at **AllSet Projects?**

01

Comprehensive Plumbing Solutions

From domestic and commercial plumbing to industrial and construction projects, we provide expert plumbing installations, maintenance, and repairs to ensure reliable water systems.

02

Geyser and Heat Pump Installations & Relocations

We specialize in installing, relocating, and maintaining geysers to maximize efficiency and safety while ensuring compliance with industry standards.

03

Construction & Building Maintenance

Our services include house renovations, plastering, painting, ceiling installations, and wall partitioning, delivering high-quality finishes for both residential and commercial spaces.

04

Waterproofing & Structural Protection

We offer professional waterproofing solutions, as well as gabion installation and packing, to enhance structural integrity and prevent water damage.

LEARN MORE ABOUT WHO WE ARE
